They put a lot of thought into this.
CLAP CLAP CLAP
Each person gets up to three scoops per turn.
Add your condiments and sauce once you get to the table.
HM
HM!
Use your ladle to pick up the soumen.
Not your chop-sticks!
OH HO!
Yagi!
It's gonna be all at once!
Here it comes!
WHEEE!
Oh, you're partici-pating?
You should've told me.
Yeah.
They asked if I wanted to work now or at the evening festival...
...and I chose this one.
We're going to the festival tonight, too!
Uh huh!
Tsumugi-chan!

C'mon, c'mon!
Shinobu-tchi and Kotori-chan!
There's room over here!
I'm just here to enjoy.
That's right!
It looks like a lot of fun.
Are you helping?
BLUSH
Is that enough for you?
She gets embar-rassed when someone points it out...
I-I'll...
I'll eat a lot later! So I'm okay!

Bring it on!
Wait, wait! Sauce! Add the sauce first!
Aah!

Tsumugi, do you want green onions?
I'll take some sauce!
Green onions, please!
Is this enough?
I'll get seconds!

Let's eat!

SLURP
SLITHER
HEE HEE!
What?
Is it good?
Uh huh!
SLURP
SLURP
Eat a whole lot, okay?
Oh! Kotori-chan got seconds!
... Thanks.

SLURP
You're lucky you can take such big bites at once, Kotori-chan!
Wow!
Green onions...
And ginger...
And roasted white sesame seeds, too...
I've eaten so much soumen lately that I was getting sick of it...
...but it's fun to eat it outside, isn't it?
Yup!
'cause it's nagashi-soumen!
We use fried green pep-pers...
Maybe they're too bitter for Tsumugi-chan?
Green peppers are...
In some things.
...okay in some things.
Hmm... all we put on it is green onions and sea-weed.
You can try changing the con-diments and stuff, too!

Egg-plants are okay!
Want to try it?
Ooh..
You can put that in noodle sauce?
You can also fry up eggplants and cucumbers in sesame oil and garlic!
Sure can!
Like avocados or something.
Or you can put tomatoes and other veggies on it to make a soumen salad.
It's also good if you add black vinegar to the sauce.
It ends up like chilled reimen noodles.
She really does love to eat.
Are we going to eat at Kotori-chan's house?
Right now?
Nope.
We've got that festival tonight, right?
Oh!
That's right!
That's right! The festival!
HUH?

CAN I?!
Tsumu-tsumu, do you want my old one? It's still pretty.
And you don't need to worry about it getting dirty.
My little sis-ter...
...said she didn't want to wear my old yukata, so we bought her a new one.
I DUN WANNA WEAR THE OLD ONE!
Sure. We're wearing yukata tonight, too.
I want..
..to wear a yukata
Yup...
You're amaz-ing.

Where do babies come from?

I knew that question was coming some day!

Or explain how the birthing process works?
Or about how babies live in your tummy...
